On Site Organizing Services

The Assessment **\$60**

This is a 45-60 minute onsite assessment of your space by a Professional Organizer. This allows us to meet, view the space(s) to be organized, and work on a customized action plan to match your organizing goals.

A Guidance Plan **\$150**

This plan is for the do-it-yourself person that likes guidance but wants to complete the project themselves. It includes an onsite assessment, starter action plan, product recommendations and before pictures e-mailed.

Virtual Organizing

Virtual Organizing is great for those who work well communicating via phone, are able to e-mail photos, and live virtually anywhere. If you want to organize your space on your schedule, but need professional guidance and an accountability partner, virtual organizing is for you! Using photos or video allows me to see your space and organizing challenges. We will walk step by step through the organizing process to help you set up systems to get and stay organized! Sessions are either 30 minutes or 1 hour in length, depending upon the client and project.

Multi Room Package **\$450**

This package includes a detailed 60 minute phone assessment, a multi room personalized action plan, and four separate 1 hour phone sessions. They take place throughout the goal timeline. In addition, a 30 min wrap up phone session at the end of the goal period is incorporated.

Home Office Package **\$210**

This package includes a detailed 30 minute phone assessment, a personalized action plan, and three separate 30 min phone sessions. Two take place during the project and the other is at the end of the goal period.

One Hour Phone Session **\$60**

Additional virtual organizing phone sessions are available. Session minimum is 30 minutes.
